EDUCATION

- Saveetha Institute of Medical and Technical Sciences** Chennai, India
Bachelor of Engineering - Computer Science Engineering (AI/DS) July 2024 - May 2028
 - Courses:** Data Structures and Algorithms, Operating Systems, Artificial Intelligence, Machine Learning, Database Management Systems, Computer Networks, Object-Oriented Programming, Software Engineering.

SKILLS SUMMARY

- Languages:** Python, C++, JavaScript, SQL, Bash, Java, C
- Frameworks:** ReactJS, Scikit, TensorFlow, NodeJS
- Tools:** GIT, PostgreSQL, MySQL, SQLite
- Platforms:** Linux, Web, Windows, Arduino, Cisco, KeilV5
- Soft Skills:** Leadership, Event Management, Writing, Public Speaking, Time Management

EXPERIENCE

- ProtoBlitz'25 Innovation Challenge — Vel Tech University, Chennai, India**
First Prize Winner | Sept 2025
 - Presented an innovative technology solution and secured first place in the innovation challenge.
- IDEATHON 6.0 Hackathon — SRM Institute of Science and Technology, Chennai, India**
Participant | Feb 2026
 - Participated in a national-level hackathon focused on developing innovative technology ideas.
- Futurepreneur 2024–25 Grand Finale — Rajalakshmi Institute of Technology, Chennai, India**
Participant | Sept 2025
 - Presented a startup-based innovative idea in the entrepreneurship competition grand finale.

PROJECTS

- AI-Based Speech Emotion Recognition**
 - Developed a deep learning model to detect human emotions from speech signals using CNN and LSTM.
 - Technologies: Python, TensorFlow, Librosa.
- Fake News Detection System**
 - Built a machine learning model to classify news articles as real or fake using NLP techniques.
 - Technologies: Python, Scikit-learn.
- Movie Recommendation System**
 - Developed a recommendation system that suggests movies based on user preferences using collaborative filtering.
 - Technologies: Python, Pandas.
- Python-Based Resume Builder**
 - Created a Python application that automatically generates professional resumes from user input.
 - Technologies: Python.

VOLUNTEER EXPERIENCE

- Team Lead — Smart India Hackathon (SIH) 2025**
Led a student development team in designing and building a prototype solution addressing a national-level problem
- Participant — Adobe India Hackathon** Chennai, India
 - Collaborated in a competitive development environment to design innovative solutions.

LANGUAGES

- ENGLISH, TELUGU, HINDI
